# South-Eastern Kentucky Oil and Gas Company, Lancaster, Ky.

Par Value of Shares \$1.00. Full Paid and Non-Assessable.

OFFICERS: Lou J. Craig, president; Geo. W. Palmer, vice president; C. D. Walker, treasurer; J. W. Alcorn, counsel; W. McC. Johnston, secretary.

Money is always made by those who get valuable information EARLY and act on it PROMPTLY; by those who go in at the START; who do "business" on the "ground floor"; there is no art in being late. It is those who are EARLY who make the MONEY. The KENTUCKY oil field is attracting the attention of the best oil men everywhere. Experts have pronounced it unquestionably the coming field for the production of high grade refining oils. The oil fields of New York, Pennsylvania and West Virginia are gradually becoming exhausted, while Texas provides fuel oil only. The great fortunes made in oil in those states will be duplicated many times in Kentucky in the next five years. The only question is, who shall reap this harvest. Realizing this fact, this company has been quietly acquiring the cream of the oil property in this

State, and knowing the importance of having its development in the hands of a trained oil expert has secured as its manager and President, Mr. Lou J. Craig, who is up to this time the most successful oil producer in the State. His discovery and development of the splendid oil pool in the Bath-Menefee oil fields eight months ago, until then not even suspected of being there but now containing over thirty wells all strong producers, stamps him the foremost in Kentucky Oil Development. For every dollar then invested there, on the "ground floor," on his judgment, he now shows \$1,000 in oil already produced, from which all feel assured investors in our company are protected as far as human foresight and wisdom can provide in oil development and operations. OUR PROPERTIES:—By acting promptly, our company has se-

ured about ten thousand acres of the very choicest oil properties in practically all the developed fields in the State. We are now drilling in the splendid Bath-Menefee field where we hope to bring in a strong well very shortly. We have also just closed a contract to sink a number of wells on our property right in the center of the oil field of Knox county within 60 days. Our property there lies on the famous Richmond Creek oil field, near and in sight of both the Jones and Wages gushers, estimated at twelve hundred barrels each per day. When the Wages gusher came in on Christmas day, it was beyond control for three days and in spite of all efforts to cap it, overflowed for seven miles down the creek, catching fire and destroying the drilling machinery, trees, drift, and everything along the creek for seven miles. Our property is just

between these wells and the Indian Creek wells; is just above and immediately adjoining the Hutchings well that came in last week, and where four wells are now under contract. We are just below and in sight of the famous Jarvis well, regarded as one of the very best in the field. The property adjoining us above and just between us and the Jarvis well, is to be developed in April and several other tracts within a few hundred yards of us are to be drilled as soon as derricks can be erected and machinery placed. Not less than 100 other wells are under contract in the vicinity, so we are entirely surrounded by this development and are right in the center of this splendid Oil Pool, having strong producers on the four sides of us which absolutely insures prompt returns to our investors. The Hutchings, Swan Lake and

other Companies, operating in this oil pool have promptly withdrawn their stock from sale and we believe we are the only company in this immediate oil field who has not done so. For the purpose of raising funds for immediate development, including tanks and pipe line, our company now offers for sale Twenty Thousand Shares of its capital stock at par \$1.00 per share, in amounts from one share up. Every purchaser of stock will own an interest in all the properties of this company. Those who got in on the "ground floor" in the Stickford, Sunny Brook, Mt. Sterling and several other companies, here only a few months ago have already cleared hundreds of thousands of dollars, and it will grow to millions during this year, and we are offering you the same opportunity to share in the same good fortune.

IN CONCLUSION:—We guarantee that every dollar derived from the sale of the treasury stock in the company shall be economically and wisely as human foresight can provide expended in the development of Company property. That no officer of this company shall receive one cent of salary until the company has reached a dividend-paying basis and has actually PAID at least ONE HUNDRED PER CENT. in dividends to all the holders of its capital stock. If you desire to invest, invest NOW. We need your money NOW for development purposes. We will NOT need it LATER. When we have brought in the first two wells, the stock will be withdrawn from sale entirely. We refer to every bank or business house in Garrard county. Address all communications to the Secretary.

### International Money Orders.

Beginning July 1st, Lancaster will be an International Money Order Office, so you can get an order from postmaster West on any office in the known world. This will be a great convenience to those Lancaster people who are so bent on sending money away from home. They can now send it to the other side of the world, where their neighbors, and the ones they made it off of, will be certain to have no chance to earn it back.

### Councilmen Drink, Eat and Read.

The City Council spent the day at Dripping Springs Friday. It was necessary to read over, revise and correct the town ordinances recently drafted and, as this required almost a day, the gentlemen decided to go where they could be comfortable and free from annoyance. They tanked up on the famous Dripping Springs water, ate one of Mrs. Rothwell's elegant dinners and went over the laws until they were gotten in complete shape. The laws will soon be published in The Record.

### Lively Scramble.

There promises to be a lively scramble among the boys for the boxes at the Opera House on the evening of the Vocal Contest. The boxes will be handsomely decorated for the occasion, and there is much rivalry among the boys as to who will get them. Each box will seat six persons. The price of the boxes will be fixed next Saturday afternoon, but if some one offers an especially good price before then, the offer will doubtless be accepted. The boxes will be beautifully decorated.

### Solid For Gilbert.

Since the withdrawal of Hon. R. C. Warren from the race for nomination for Congress the democrats are now expressing themselves for Gilbert, first, last and all the time. Mr. Warren stands very close to the Garrard county people, and while Mr. Gilbert would have received a large vote, yet the former would have had the county by the tail, with a down hill pull. We have talked with a number of leading democrats, and they say that Mr. Gilbert's faithful service and excellent qualifications make him the ideal candidate, and they are for him to the last ditch.

### Attorney Jakes Arrest.

A few days ago, a woman, living on Sugar Creek, complained to Judge Ford that she had been assaulted by a negro man named Will Schooler. Schooler skipped the country. Monday, as County Attorney Hamilton was returning from Bryansville, he saw a suspicious looking man on the road side. Mr. H. says the man looked as though he had wool in his teeth, so he arrested him and brought him to town. He proved to be the man wanted, and Judge Ford gave a sentence of fifty days for the first charge and an additional thirty-five days for carrying a pistol.

### Enterprising Coons.

A new enterprise has struck the town. We presume it should be called the "Coon Investment Co." Several parties have been here the past two weeks and bought the bodies of a number of negroes. The contract reads that when Mr. Coon shuffles off this mortal coil, a certain medical college is to have the body. Ten dollars per carcass is paid, and we understand, the agreement is recorded in the clerk's office. A number of colored men and boys have "sold," and if the medical college will manage in some way to hasten the delivery of the goods, the citizens of Lancaster will help defray all expenses.

### Don't Put Off Too Long.

The following from the Jessamine Journal comes pretty near covering the case in Lancaster: "The condition of Nicholasville in a moral way is most deplorable. The youth of our town are becoming debauched at very tender ages. It is a common occurrence to see a boy between the ages of 15 and 19 years, drunk. The gambling halls are permitted to rake in the shekels from the young men, and no way to stop them. If the church people of Nicholasville do not soon awaken from their deadly slumbers they will certainly reap a very bitter harvest. The press, the pulpit and pew had better handle sin in this place without gloves or turn everything over to the devil!"

### Heard Booker Washington.

William Johnson, the colored shoemaker, went over to hear Booker T. Washington, the well-known colored professor, and worker for his race. Prof. Washington is doing great work for his race all over the country. He appeals to them to till the soil, and gain an industrial education, thus laying the foundation for better things in the future. He appeals to the white people to not judge the negro by the lowest element, the class of idlers, but consider the best element of the race. The opera house was filled almost to suffocation, about one-fourth being white people. The Lancaster man was an invited guest to the banquet, and says he was royally treated.

### Garrard's Entry.

The Elks Lodge, at Richmond, has decided upon a novel plan to select the Queen of the Carnival on the opening day of the big Fair. Tickets will be sold, entitling the holder to vote for any young lady he desires. These tickets are five cents each, and come in blocks of twenty-five. The names of fourteen of Richmond's prettiest and most popular young ladies have been placed in nomination. There are twelve or fourteen Elks in Garrard who belong to Richmond lodge, and they have placed the name of Miss Christine Bradley in nomination, and are going to let the Richmond boys know they are in the fight. The standing of the vote will be announced from time to time. If you desire to vote in the race, and help the Lancaster boys' win, apply to Brannon Beazley or Louis Landram, who have an abundant stock of tickets.

### Death of Mrs. Margaret Gill.

After a lingering and painful illness of many weeks, Mrs. Margaret Kinnaird Gill died at her home, on Stanford street Tuesday afternoon at 2:30 o'clock. For several weeks she had suffered intense pain, but death came peacefully, and she passed away singing praises to the Savior, whom she had served so faithfully, and in whom her trust had always been founded. Mrs. Gill was a daughter of Squire and Mrs. William H. Kinnaird, and was born and resided in Lancaster all her life. She was the widow of John S. Gill, one of the most prominent and wealthy men in this section. She is survived by three daughters, Misses Mary, Helen and Martha, and one son, Louis. Mrs. Gill did, we can say without any hesitation, more for charity and the cause of temperance and church work, than any one who ever resided in Lancaster. She never turned away any appeal for help, and, furthermore, never told anyone of her acts of kindness. She was an active worker in all undertakings for the betterment of the community, and her loss will be keenly felt. A wide circle of friends mingle their tears with the bereaved ones, and sorrow that they shall see her face no more. Her's was a happy, hopeful life which always brought cheer to the despondent and comfort to the gladdened, while "scattering seeds of kindness all along the way." It was not a vain, pleasure-seeking life, but an earnest, energetic, christian life, bearing her own burdens cheerfully and helping others to do the same. To the community she was much, to the church far more, and to her family everything.

She was an enthusiastic member of the W. C. T. U., but always worked for its advancement in a dignified way that accomplished no end of good and won the admiration of even those who favor the sale of intoxicants. Funeral services will be conducted at the residence this afternoon at three o'clock, by Rev. C. M. Chumbley, assisted by Dr. Donald McDonald, after which the remains will be laid to rest in the Lancaster Cemetery.

The deepest sympathy of the entire community goes out for the bereaved children and relatives. The loss is truly an irreparable one to them, but they should remember that "God moves in a mysterious way, his wonders to perform," and the fact that she has gone to a better world, where there is no sorrow or pain, should be an incentive to them to follow in her footsteps while here on earth and thus receive the crown that is laid up in heaven for such pure, God-loving, God-fearing followers of Christ as was she.

The Kentucky Educational Association will convene in Lexington, Kentucky June 23rd, 24th and 25th. All teachers are urged to attend.

Sun Brothers, proprietors of the circus to be here next Thursday, are brothers of Gus Sun, the minstrel man. Like Gus, they give nothing but a first class show. The Record will recommend the show as a strictly good one, our information coming from a reliable source.

### Notice.

The June meeting of Lancaster Alliance No 21 will take place on Friday the 26th, at Odd Fellows Hall. All the members earnestly requested to be present and bring your friends. Meeting free and open to the public. O. T. Wallace, Pres.

### A Fine Entertainment.

The pupils of Miss Ella Dunn's school, assisted by a number of the young people from the Bryansville neighborhood, will repeat the entertainment recently given, in Lancaster Monday night, the 16th. It consists of pantomimes, recitations, drills, etc., and a pretty little play, "A Black Diamond." The people of Bryansville highly recommend the entertainment, and, as the proceeds are to be divided among the aid societies of the churches in town, it should receive liberal patronage. General admission 5cts. For full particulars, see small bills.

### Unique Premium.

Danville Advocate.—Mr. A. E. Gibbons has donated a premium amounting to ten dollars in wall paper for the purpose of establishing a cat ring at the Danville Fair. The handsomest cat shown in the ring will win the premium, and the power of catching and devouring rats will not be considered, as first anticipated. Mr. Gibbons owns a fine herd of felines, but none of his lot will be entered. It is said that those who take pride in cat raising are about the most enthusiastic people on earth, and it is expected that many entries will be made, and the cat ring promises to be one of the events of the Fair.

She will be a loving helpmeet and certainly strive for the happiness of the man of her choice. The groom is a young attorney with flattering prospects. Their many Lancaster friends extend congratulations to Col. and Mrs. W. P. Walton, of Lexington, upon the arrival of a little daughter, who has been christened Mary Miller, after her maternal great-grandmother.

Fridays Danville Advocate: Mr. and Mrs. Fisher D. Gaines entertained the younger set handsomely last night complimentary to Miss Theo Hemphill, of Lancaster. In the receiving line were Mr. and Mrs. Gaines, Mr. Hudson, Miss Hemphill, Mr. Joe Finnell and Miss Leila Grant. The residence was beautifully decorated in carnations, delightful refreshments were served and all present enjoyed a most pleasant time.

Stanford Journal: Friday at the home of her uncle, Mr. James Dunder, Miss Bessie Yantis entertained a number of her friends in honor of her visitors, Misses Bessie May, Susanna and Bernice Lear, Lillie V. West, Irene Romans and Allie Yantis, all of Garrard. A most pleasing program was carried out—recitations, songs, music, games of all kinds made the day enjoyable indeed. At the proper hour dinner was served, the tables weighted with good things to eat. Everyone felt and proved that it was good to be there.

Miss Altie Marksbury gave a very enjoyable Ping-Pong party Monday evening. The guests were Misses Margaret Tomlinson, Christine Bradley, Bessie Marksbury, Messrs. Ed Doty, Will Dunlap, Robert Davidson, Bramham Beazley, Will Burton and Frank Marksbury.  
Mr Sam B Harris, of Louisville, is spending a week with his parents in this city. Sam is one of the many Lancaster boys who have gone from home and worked up to position of honor and profit. At first he had a little counter-jumping joo, getting two dollars a week, his washing and the big head, but Sam was not content in such harness and began to attend strictly to business, work wholly for his employer's interests, and as a natural consequence soon climbed to a position of responsibility and good pay. He is now with Bonnie Bros., the well-known wholesale liquor men, and holds down one of the best jobs in the house. Sam has the pluck and energy needed to succeed in anything, and its a safe bet that he will some day be able to retire from business and live off the interest of his money. Its just such young men as he who do this, and we are confident he will wind up that way. We say all this, first, because we are particularly fond of Sam, and next because it may be an example to the cigarette, crap-shooting youngsters, and show them how easy it is to succeed if they will only "git-up-and-git."

A beautiful home wedding was that of Miss Frances Collier and Mrs Joe E Robinson which took place at the residence of the bride's father, Gen. D. R Collier, on Lexington street Tuesday morning at nine o'clock. The cozy residence was beautifully decorated with palms and southern smilax. Only near relatives and a few close friends were present. Immediately preceding the ceremony, a short musical program was rendered, consisting of several piano selections by Miss Theo Hemphill and a vocal solo, "Answer," by Miss Bessie Batson. The wedding march was played by Miss Hemphill, "Palms" being rendered during the ceremony. Rev. A. R. Moore said the words which united the happy hearts. Mr and Mrs Robinson at once entered a carriage and were driven to Danville, where they took the Queen & Crescent Route for a ten days bridal tour. The bride was becomingly attired in a handsome

months of diligent and faithful use of external remedies that the place remains as defiant, angry and offensive as ever. Every chronic sore, no matter on what part of the body it comes, is an evidence of some previous constitutional or organic trouble, and that the drugs of these diseases remain in the system; or, it may be that some long hidden poison—perhaps Cancer—has come to the surface and begun its destructive work.

The blood must be purified before the sore will fill up with healthy flesh and the skin regains its natural color. It is through the circulation that the acid, corroding fluids are carried to the sore or ulcer and keep it irritated and inflamed. S. S. S. will purify and invigorate the stagnant blood when all sediment or other hurtful materials are washed out, fresh rich blood is carried to the diseased parts, new tissues form, and the decaying flesh begins to have a healthy and natural look; the discharge ceases and the sore heals.

S. S. S. is the only blood purifier that is guaranteed entirely vegetable. It builds up the blood and tones up the general system as no other medicine does. If you have a sore of any kind, write us and get the advice of experienced and skilled physicians for which no charge is made. Book on Blood and Skin Diseases free.

Read it in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by R. E. McRoberts, Druggist.

Some men are of volcanic origin, but they are not the ones who shoot off their mouths.

### How to Avoid Trouble.

Now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busiest season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by R. E. McRoberts, Druggist.

Lots of men have gone to the bad through their efforts to be known as good fellows.

### Hot Weather Weakness.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Freegard, Propr. Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the last 12 years, and nothing on earth can beat it. It was recommended to me by Dr. Newton, Kan." 50c at B. E. McRoberts.

### The Real Thing.

"One Minute Cough Cure beats all other medicine I ever tried for coughs, colds, croup and throat and lung troubles," says D Scott Currin of Logan, Pa. Some people are like straws on a river: they do not go through the world, but are carried.

### Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleaning the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R M Evers, Moundsville, W Va. "They do me more good than anything I have ever tried."

Adam's troubles may have been due to the fact that he had no mother-in-law to hand him advice.

### Violent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G W Roberts, of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve experts its matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. The man who is a failure in his work never draws a very large salary.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. ### Constipated Bowels.

To have good health, the body should be kept in a laxative condition, and the bowels moved at least once a day, so that all the poisonous wastes are expelled daily. Mr. G. L. Edwards, 112 N. Main St., Wichita, Kansas, writes: "I have used Herbine to regulate the liver and bowels for the past ten years, and found it a reliable remedy." 50c at R. E. McRoberts.

### A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid.
